

Hannah Jenkins is the founder and director of QIPP (Quality Investigative Psi Projects) which is a research institute dedicated to discovering how to apply and explain psi.

QIPP is currently in 'start-up' phase and aims to be a self-funding institute able to support a small cross-disciplinary team of researchers by 2016.

QIPP is located in Hobart, Australia.

More information here: [www.qipp.com.au](http://www.qipp.com.au)
